

Meta Ads Targeting Strategy

Essence of Lahore | Heritage & Cultural Tour Packages

This document outlines the recommended audience targeting strategy for the Meta (Facebook & Instagram) Ads campaign promoting the Lahore heritage tour packages (1-Day, 3-Day, and 7-Day itineraries) to an international audience.

1. Target Countries (Worldwide Priority)

The campaign is designed for a worldwide audience, with the following country tiers prioritized based on travel intent, diaspora presence, and cultural tourism interest.

Priority Tier	Countries	Reasoning
Tier 1 - Primary Focus	USA, United Kingdom, Australia, Canada	Large Pakistani diaspora, strong heritage & cultural travel interest, English-speaking, higher travel spend
Tier 2 - High Potential	UAE, Saudi Arabia, Germany, Netherlands	Overseas Pakistani community (Gulf region) + growing European interest in South Asia off-the-beaten-path travel
Tier 3 - Emerging / Test	China, Malaysia, Turkey, South Korea	Rising outbound tourism interest in Pakistan, suitable for future testing and expansion

2. Age Group Targeting

Age Group	Segment	Notes
28 - 55 years	Primary Audience	Core segment for heritage & cultural tourism - higher spending power and stronger booking intent
18 - 27 years	Secondary Audience	Backpackers, solo travelers, and content creators - strong social sharing and reach potential

3. Interest & Audience Categories

The following Meta Ads interest categories are recommended for building the core targeting audience:

- Travel & Tourism (General)
- Adventure Travel / Backpacking
- Historical Tourism / Heritage Sites
- Islamic Travel / Halal Tourism

- South Asia Travel
- UNESCO World Heritage Sites
- Travel Bloggers / Travel Photography
- Overseas Pakistani Community Pages

Recommendation: Build a Lookalike Audience from the client's existing Instagram/Facebook page followers and engagers, in addition to the interest-based targeting above, for improved audience quality.
