Digital Marketing Proposal

Prepared for: Sample Client Pvt Ltd | Prepared by: Ahsaan Digital | Date: August 2026

1. Project Overview

This proposal outlines a complete digital marketing strategy designed to increase brand visibility, generate qualified leads, and drive measurable sales growth through Meta Ads, Instagram content, and structured campaign management.

Objective: Increase monthly qualified leads by 40% within 90 days while maintaining a cost-per-lead below target budget.

2. Scope of Work

- Meta & Instagram Ads setup — Awareness, Lead Generation, and Sales campaigns
- Content calendar & creative design for social media posts
- Landing page / website traffic campaign management
- Weekly performance reporting and optimization

3. Deliverables Timeline

Week 1: Research, audience mapping & creative production. Week 2: Campaign launch across awareness and lead objectives. Week 3-4: Optimization, A/B testing of creatives, and scaling top performers.

4. Investment

Management fee and recommended ad-spend brackets are detailed in the accompanying Excel budget sheet (see Sample 2).
